'Aristotelis' Community Language School is one of the main providers of **Modern** and **Classical Greek**

language courses in the metropolitan area of Sydney. Thanks to the academic acumen and professional expertise of its team,

'Aristotelis'

has achieved a long-standing reputation in the delivery of high standard courses.

Classical Greek is the language that has informed substantially what we understand as civilization, while **Modern Greek** allows one to have access to a most vivid, resilient and sophisticated culture. Not only students of Greek descent but also students from the wider Australian community can benefit immensely from this cultural heritage by broadening their multicultural horizons and consolidating an advanced level of English.

Come along and join us in this amazing journey of discovery and learning!
